SAVED PAY FOR AIR BATTLE MANAGERS

1. The Air Force has authorized entitlement to Aviation Career Incentive Pay for certain officers who were formerly entitled to Hazardous Duty Incentive Pay for Duty as Air Weapons Controller Crew Members. In order to preclude any loss in pay resulting from the change in entitlement the Fiscal Year 2000 National Defense Authorization Act included a "save pay" provision effective from October 1, 1999.
2. Add a new paragraph, 220214, to Chapter 22 of the DoD Financial Management Regulation, Volume 7A, to read as follows:

220214. An officer serving as an air battle manager who is entitled to ACIP under this section and who, before becoming entitled to aviation career incentive pay, was entitled to HDIP as an Air Weapons Controller under section 2201 of this chapter, shall be paid the monthly incentive pay at the higher of the following rates:

- A. The ACIP rate otherwise applicable to the officer under this section, or
 - B. The rate at which the officer was receiving HDIP under section 2201 of this chapter immediately before the officer's entitlement to ACIP under this section.
3. In the Bibliography under Section 2202, make an entry for paragraph 220214 with the following citations:
